TEAM TOURNAMENT

Team Tournament is an innovative way for children to enjoy tennis competition in a low-pressure team environment. This experience will encourage players of all ages to gain match experience, develop their skills through level-based play, and demonstrate good sportsmanship.

It is designed to be delivered as a single event or a series of up to six events, with the objective of providing a fun and social environment that highlights character and skill development. Team Tournament can be played with **orange, green, or yellow tennis balls**.
